Spring 2009 Online Courses

Professional Development Courses

PD 0920: Data-Driven Instruction

Learn how to incorporate Data-Driven Instruction in your classroom. This course is both an introductory course for teachers interested in DDI and a refresher course on the subject. Class starts on April 6th and ends on April 27th. Distance Learning: Online.

PD 0921: Goal Setting in the Classroom

Goal setting in the classroom is proven to improve test scores and student achievement. This course introduces you to goal setting with your students and an opportunity to apply the strategies you learn. Class starts on April 6th and ends on April 27th. Distance Learning: Online.

PD 0922: Cooperative Learning

Cooperative Learning is an instructional tool that provides a wealth of learning opportunities for your students. This course introduces you to cooperative learning and provides an opportunity to apply the learning structures in your classroom. Class starts on April 6th and ends on April 27th. Distance Learning: Online.

Parenting Courses

PC 0923: How to be Your Child's Best Advocate

Learn how to be your child's best advocate. This course focuses on how to advocate for your child in educational settings. Special consideration is made to Special Education and Individualized Educational Plans (IEPs) topics and issues. Class starts on April 6th and ends on April 27th. Distance Learning: Online.

How to Register: Fill out the registration form and fax to (714) 316-1314 attention Education Coordinator or contact by email: Education@ElysiumCompact.org. All materials are provided online. A donation of \$30 dollars (USD) is suggested for each course. Enrollment is limited.
